

How to Add Photos to your Fundraising Page:

Photos are engaging and can help share your story. Who can resist seeing pictures of your fur babes? You can further customize your personal fundraising page by adding more photos with a few easy steps.

To be able to add more photos to your page, they have to be saved to online Image Hosting Site - thankfully there are a few free options. See the top 3 below:

- Google Photos – <https://photos.google.com/>
- Imgur – www.imgur.com
- Dropbox – www.dropbox.com

Customize your page with additional photos:

- 1) Log into your image hosting site, and upload the images you would like to share. For the sake of this guide, I am using Imgur, but the steps will be similar for other image hosting sites.
- 2) Log in to your personal fundraising page - https://app.mobilecause.com/users/sign_in

Log In

- 3) Once logged in, you will have the ability to edit your page. To add a photo, you will want to place the cursor in the text box where you would like to insure the photo and click on “add/edit picture tool”.

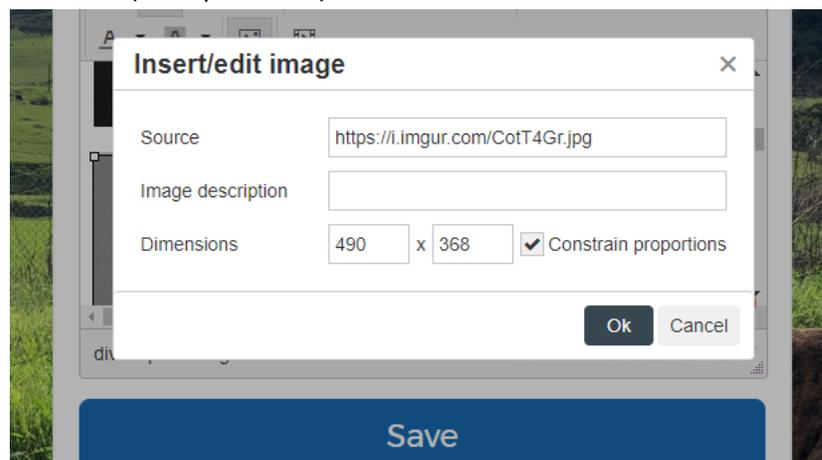

- 4) You will see this text box below appear. To insert your photo, you will need the image address to put into the "Source" field.

- 5) Log in to your image hosting site and go to the photo you'd like to insert. Double click on the image and then right-click your image to view the below menu:

- 6) Once you select "Copy image address", switch tabs to your personal page, and "paste" your photo's image address into the "Source" Field (example below).

Helpful Tip: It's best to enter dimensions in your photo to 490 pixels, and allow check the "Constrain proportions" box, so your photo isn't too large to manage in the text box, and you can always adjust or edit by selecting the photo and clicking on the "Add/edit picture" tool.

- 7) Click the "Save" button.
- 8) You're set! You can see your fundraising page as others will see when they visit your page to support you and donate.

Helpful Tip: Every fundraising page will have a paragraph explaining who Woods Humane Society is and what our mission is. If you'd like to make your personal story stand out, add space after your text or photo to allow space between your story and the Woods story.

Questions?

If you have questions related to your fundraising page, please feel free to contact MobileCause directly, call 888-661-8804 and press 2 for support, or email support@mobilecause.com.

If you have questions about Woods Humane Society or your fundraising efforts, please contact Branna bstill@woodshumanesociety.org or call (805) 543 – 9316 x 17.
